Aim the targets approaching from all sides!

Triangle Service, creator of many arcade games, presents a new style game for PC that looks like a shoot'em up without "shooting" element.

Features:

This game features no "press the button to fire", that is the most common feature in a shoot'em up

Aim the target quickly and accurately using a mouse or gamepad

Also includes games that rebuild classic shooting games from a new perspective!

A device with gyro sensor supports intuitive gyro controls (For gyro sensor built-in devices, the control automatically gyro operation)

Gyro-controls are tested on these devices:

Microsoft Surface Book

Microsoft Surface Pro 4

Microsoft Surface Pro 3

Microsoft Surface 3

Asus T303UA

Asus T101HA

Asus T100HA

Asus T100TA

Asus T90CHI
